Best Western Plus Hotel Meteor Plaza Earns Fodor's Best Award

The travel guide Fodor's has announced that Best Western Plus Hotel Meteor Plaza has been awarded a Fodor's Best as one of five hotels in Prague with a hidden secret. The hidden secret discovered is the 14th-century wine cellar in the basement of the four-star hotel.

Prague, February 6th 2018. Best Western Plus Hotel Meteor Plaza is awarded as Fodor's Best in Prague for providing a hidden secret. The hotel was chosen due to its wine cellar in the basement from the 14th century. Every year, the editors and experts of Fodor's evaluate thousands of hotels across the globe. While every hotel listed in a Fodor's guide is deemed worthy of a traveler's time, only those offering a truly distinctive experience are given the Fodor's Best designation. The Fodor's Best hotel recipients provide a remarkable experience in their category. As a Fodor's Best recipient, the Best Western Plus Hotel Meteor Plaza receives special recognition on Fodors.com. "We are proud that we have received the Fodor's Best Award. Many travelers nowadays are looking for hotels with extraordinary offers – or hidden secret, as Fodor's calls it. Our historical wine cellar is one of the unusual things travelers adore", says hotel director Klára Vančková.
