

Best Western Hotels in Germany are Service Champions 2019

Best Western Hotels in Germany have once again been awarded as Service Champions with the rank in gold: This is the result of the latest annual customer survey "Service Champions 2019", conducted by ServiceValue GmbH in cooperation with the Goethe University Frankfurt am Main. Best Western Hotels in Germany were awarded an above-average gold rank in the ranking for excellent customer service.

Eschborn, October 16th, 2019. Best Western Hotels in Germany offer excellent customer service and are again awarded as Service Champions. This is the result of the annual survey on customer service experience conducted by the Cologne-based analysis and consulting company Service Value GmbH in cooperation with Goethe University Frankfurt am Main. Again, the German Best Western Hotels have been awarded the gold rank in the ranking "Service Champions 2019" for above-average customer service. The service ranking included a total of 1.7 million customer ratings for more than 3,500 companies from over 350 industries. The customer service experience was examined using the so-called "Service Experience Score" (SES). With an above-average SES of 68.3 percent, Best Western Hotels in Germany achieved gold rank.

In September, Best Western Hotels in Switzerland and Austria have also been awarded "Service Champions 2019". Both achieved gold rank for a high experience in customer service.

"We are very pleased that our hotels in Germany, and also in Switzerland and Austria, have received again such an excellent rating. The gold rank confirms that guests in our hotels experience above-average service. I would like to thank not only our guests for the award, but also our hotels and their employees, who do a great job," says Marcus Smola, CEO of Best Western Hotels Central Europe GmbH headquartered in Eschborn, Germany. The company is responsible for around 230 hotels in the ten countries Germany, Croatia, Liechtenstein, Luxembourg, Austria, Slovakia, Slovenia, Switzerland, the Czech Republic and Hungary.
