

New Alpine Design Hotel Opens in Austria

Mountains, nature, lake - in Zell am See the BWH Hotel Group is expanding its portfolio in Austria with an alpine design hotel. The ELEMENTS Resort opens in December and joins the BW Signature Collection by Best Western. The four-star hotel offers 54 luxury rooms and apartments, restaurants as well as a generous wellness area with inside and outside pool.

Zell am See, Austria / Eschborn, Germany, 3 December 2019. In December the four-star hotel ELEMENTS Resort opens in Zell am See in Austria. It is the first hotel of the BW Signature Collection in Austria and thus belongs to the BWH Hotel Group Central Europe. The BW Signature Collection is a so-called soft brand for independent private hotels of the upper middle class with a special design. Under the umbrella of the collection, selected hotels are marketed which appear to the outside world independent of the brand and at the same time benefit from the marketing and sales strength as well as the global customer loyalty program of the global group. Alpin Rentals GmbH - Alpin Family with Managing Director Ralph van Kollenburg is the hotel operator of the alpine design hotel: "With the new design hotel, which combines the elements glacier, mountains and lake, we can ideally realize the brand standards of the BW Signature Collection. The uniqueness of the design, individual and high-quality furnishings and special service moments characterize our Aparthotel", explains Ralph van Kollenburg. The headquarters of the BWH Hotel Group is also pleased about the growth in the attractive Austrian holiday region: "The entire Zell am See and Kaprun region is one of the most beautiful holiday regions in Austria. We are very pleased that we can extend our collection of extraordinary vacation hotels with the ELEMENTS Resort", says Ivona Meissner, who is responsible in the regional office in Vienna for the development and support of the hotels in Austria and the region Central Eastern Europe.
