

Getting Festive at Home: Hotels Offer Take-Out Holiday Menus

Getting into holiday mode while staying at home: Many hotels of BWH Hotel Group will be offering seasonal treats and festive menus during the coming weeks for people to enjoy at home. So despite closed restaurants in November, no one will have to miss out on a traditional Advent lunch or Christmas dinner in the closest circle of family or friends.

Eschborn, Germany, November 16, 2020. Christmas season is right around the corner – time to get in a festive mood and think about some culinary holiday classics. Although restaurants have to be closed in many places during the coming weeks, a festive feast with the closest family or small circle of friends can still be saved: Many hotels of the BWH Hotel Group are offering traditional festive meals and seasonal treats for take-out to enjoy at home.

Traditional Festive Treats to Choose from

The culinary selection ranges from fine menus for two to traditional roast goose for a large family. Who does not feel like spending several hours in the kitchen on Sundays or during the holidays can simply pick up the delicious meals at the hotel ready to serve at home. For all aspiring cooks who would like to surprise their loved ones with a special home-made feast, the meal can also be delivered in a cooking box. With the included recipe, a festive menu is easily prepared at home, even when expecting a few more guests.
